Dear Friends of Gwandalan Public School

Spread the word to all family members and friends to attend. Flyers have been sent home advertising the fete.

Lets all hope and pray for fine weather.

Fete Colouring Competition winners:

Jonathan Debono & Tashana Holmes – Kindergarten, Quinn Passlow - Year 1,
Cara Holden – Year 5, Eathan Kelly – Yr 6.
Each child receives an AFL Kit.

School Attendance

Regular attendance at school is necessary to assist learning at all times.

Students K – 6 will be undertaking assessment tasks from now until when reports are sent home in Week 10.

Please support us by having students at school on time (start at 9am) and at school each day.

If students are sick they should not be at school and it would be more advisable to keep them home until they are well enough to attend as they can pass on their illness to other students in the classroom.

Head Lice

As warmer, humid weather occurs unfriendly visitors known as head lice become more regular.

Please check hair regularly and use the appropriate treatments.
