

Week 7 Term 4

Spellathon Games/Fun Day

Classes completed spellathon games and activities last Friday.

Students are reminded that sponsorship money is to be collected and returned to school ASAP.

At no time have students been asked to enter unknown homes/yards to collect/ask for sponsorship.

Sponsorships should be sought from families, relatives and immediate neighbours.

Kindergarten Orientation

The first session will be held this Wednesday commencing at 9.15am in the Hall.

Sydney Swans Visit

A number of Sydney Swans will visit next Wednesday 3rd December to talk with students for about 30 minutes. There will also be an afternoon for any students wishing to try AFL games and activities. (See article later in this newsletter!)

New Computers

Mr Svihla has worked tirelessly to arrange the installation of new computers.

The NSW State Government have given us 15 new computers under the T4LC (Technology For Learning) Scheme. Older computers in the Library have been replaced and so have computers in classrooms.

Classrooms now have 2 computers/room. There are 8 in the Library and 15 in the Computer Room.
