

## Option to receive the school newsletter by email

To further improve communication to families, we are introducing a new system of emailing the school newsletter. The online version should be available each Tuesday and will be in PDF format. Should you choose to receive the newsletter this way, it will *replace the paper version*.

Your email address may also be used to communicate other school related news and events. Like any personal information, your email address will not be shared with anyone.

You can also view previous newsletters at the school website:

<http://www.gwandalan-p.schools.nsw.edu.au/newsletter.htm>

We anticipate this service should commence the beginning of term 3.

Marek Svihla

Please complete and return the below information to begin receiving our newsletter by email.

-----✂-----

Parent First Name:

---

Parent Last Name:

---

Parent Email Address:

---

Child names:
